

What's included with your lease?

- FULL life-time warranty. If ANY part of the TSUNAMI breaks, we send you another one at no cost to you (AND, every part of a TSUNAMI is "hot swap", which means it's easy to replace)
- Verizon 4G data service for remote access to video footage
- Built-in insurance. If the TSUNAMI is vandalized/destroyed, all you pay is the deductible for the part that needs replacement. MAX out-of-pocket is \$3000 for a complete TSUNAMI replacement – an \$18,000 value.
- Tech support – We train a Superuser in your department to be a TSUNAMI expert. If they need help or a major crime happens, we are there to answer questions and help pull footage.
- FREE UPGRADES! Technology changes quickly. Instead of having outdated cameras, we send you a brand new TSUNAMI with brand new technology every 4 years at no additional cost to you.
